What do you think?

I know that this church is going through some changes. We have made it through some rough times, and continue to struggle with some issues. I have a question for you though. What do you think would be the best strategy for this church to move forward?

We have been able to make some headway on certain things, such as physical plant issues and the like. I know the new doors are a healthy thing for the building. Then there are other items that need attention. Some of them are about your care and comfort. We need to know in the leadership of the church what you feel needs addressed.

I have been a part of this church for nearly three years now. I have to say that things could be better and they could be worse. In that way this church is much like many others. How often do you think we need to have meetings, and what needs discussed? We have had some turmoil in this place, but all places have some.

I would like to encourage you to talk to Paul, Bill and I about the things you see that we should address.

What are your hopes, dreams and aspirations for the church? Do you think we need to make some fundamental changes, or do you think that things are going pretty well?

This is a season of change in our area. We are in the midst of going from winter to summer, and this process is known as spring. We got to spring our clocks ahead, got to have Easter on the 1st of April, and have been making some changes to personnel. I hope and pray that this all finds you doing well in your lives.

We want to fit the model of this church towards what needs to happen. This is a time of change for Clinton Church of Christ. We seek your guidance, your encouragement, and your wisdom. God is in the business of doing amazing things wherever you care to look. I believe He is going to do something big here too. So let me know. What do you think?

In His service,

David Manley
