Matthew 28:18-20 – Text

Matthew 28:20 – "...And surely I am with you always, to the very end of the age". Sometimes in the course of living out our life; we have those "God Moments". I usually follow it up by saying; "You can't make this stuff up". What are these "God Moments?" If we are discerning, as Christians, we probably recognize these moments, as those instant moments, when you are aware, that God is actively involved in your life and is demonstrated by some visible means. And when these moments occur, you know that it is only God making these things happen. I also call these moments "Burning Bush experiences" (Exodus 3:1-6); times when so often, we are caught up in the day to day, happenings in life, going through the motions and God "Shows up", in a big way. What a great joy, it is to see that God is in everything that we do. Sometimes the problems of life, weigh us down and we can lose the awareness; that God is involved in all that we do. And that God is watching over us and loves us. The "God Moments" are precious reminders, that God is paying attention to us, directing our lives, protecting us and loving us. So when you are blessed by one of these moments, thank Him and remember that it is just one thing; of the thousands of things that God does for you each day.

Blessings to you all,

Pastor Ron
