**What is your food?**

As we head into February, let us take note of things like Fat Tuesday. We have the ability to do things in our diets that would tend to torpedo our New Year's resolutions. Sometimes we think that we are doing well, only to find out that things are not as easy as they would seem. How are you doing with your resolutions?

Have you followed them through to the end of the month of January?

I find it interesting to note that Jesus says in the book of John what His food is. John 4:34 Jesus said to them, "My food is to do the will of Him who sent Me and to accomplish His work."

I wonder how many of us can say the same thing? We like to think that we are doing God's will in our lives and that we are all good with Him. But I don't know even in my life how well that is working out. Do you ever wonder about these things?

If we were to feed on doing the will of God and center ourselves on accomplishing His work, what would that mean to us today? What would it mean to the Kingdom of God? How would our lives be different if those were our foci? I thought at one time that I would always be in God's will. There is a certain kind of symbiosis in that.

We can say that God is in control of everything, and that we cannot possibly step out of His will. That is true to a certain extent. I do not think that God wishes us to struggle and do without His blessings. But He allows that for our growth. We tend to learn through these experiences. I have learned much more from my failures than I have through my successes. How about you?

So then, to get back to the point, what do you feed on? Is it in doing God's will, or is it in doing your own will? We need to ask that question each and every day. We need to see whether or not we have submitted to His will in our lives. We need to ask ourselves who is preminent in our thoughts and desires. Do you seek His ways or yours? Think about that this month!
